Protect Worker Rights Training

Dear Activist,

Following the 2010 Elections, **Wisconsin workers are now facing serious attacks from politicians** who want to take our rights as union members. The wages and benefits that Wisconsin's union members have won over many decades of collective bargaining with their employers have raised the living standards of all workers in our state and built the middle class.

Please join us to learn more on how you and your union brothers and sisters can fight back against corporate special interest attacks like **Right to Work** and **Paycheck Deception** that would take away our rights as union members.

2 identical training sessions will be held:

MILWAUKEE on Wednesday, February 16 at either 10:30 a.m. or 3:30 p.m.

MADISON on Thursday, February 17 at 6:00 p.m.

Please fill out and return one of the registration forms below and return it as shown on the form.
